Initiatives to Support Students

- [Pipeline for the Advancement of the Healthcare Workforce \(PATH\)](#)
 - Purpose: to support students and incumbent workers who wish to enroll in a healthcare program or upskill.
 - 2nd year
 - State grant so there is a lot of flexibility with funding and how it can be used to support students, faculty and staff, marketing/recruiting, building program capacity, etc.
 - Very successful thus far- thanks to all of our PATH Admins!
 - Contact Ann Storey, Director for Healthcare Programs at ann.l.storey@illinois.gov for more information.

Initiatives to Support Students

- [Workforce Equity Initiative](#) (WEI)
 - Purpose: create, support, or expand short-term workforce (credit and/or noncredit) training opportunities in high-need, minority communities focused on specific sectors with identified workforce gaps. Students receive support services to remove barriers to enrollment and completion.
 - 5th year of funding, began in FY20
 - State grant so there is a lot of flexibility with funding
 - 18 participating colleges, over 120 WEI programs
 - Contact Jennifer Foster at jennifer.foster@illinois.gov or Dawn Koeltzow at dawn.koeltzow@icc.edu for more information.
