RECRUITMENT

- Targeted Recruitment
 - Career Interest Form
 - Teacher Recommendation
- Class Visits
 - Virtual
- Information Sessions
 - Conducted by CTE Faculty
 - Targeted invitations

A form titled "CAREER PATHWAY INFORMATION" with the Morton College logo. It includes fields for Date, Full Name, Address, and Phone. A section titled "Adult Ed Bridge to Healthcare Careers" explains the program. Another section, "Education and Career Aspirations", asks about current education and future goals. A "Previous or Current Employment" section asks for job details. The form ends with "Additional Information" and the Morton College website.

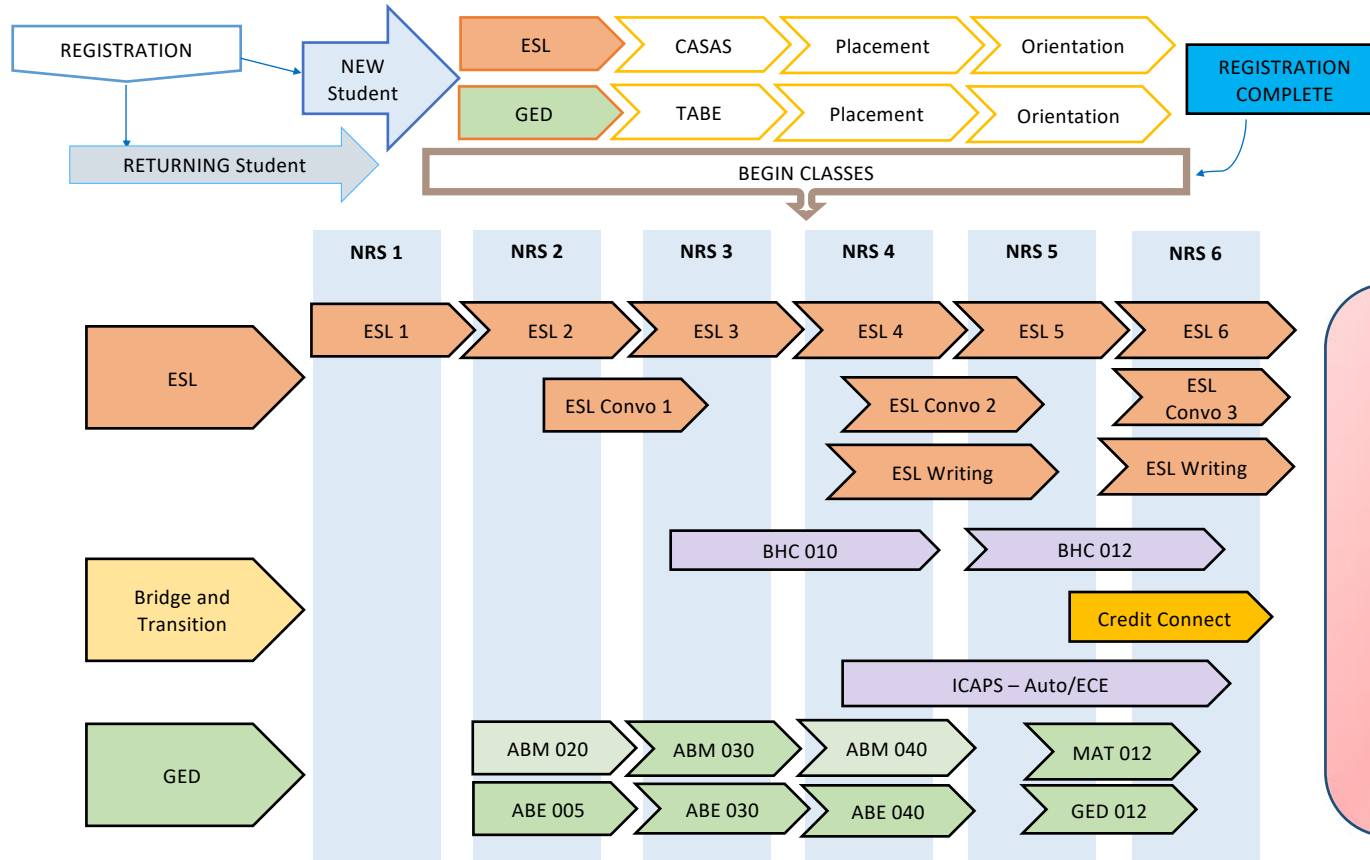

A form titled "RIASEC INVENTORY" with the subtitle "Quickly Match Your Interests to Careers". It includes fields for Name, Date, and Age. The form contains text explaining the RIASEC inventory and how to use it. The Morton College logo is at the bottom.

A brochure for Morton College Career Technical Education. It features the Morton College logo and the text "Prepare for your Career & Educational Goals! Gain Certificates! Work towards a diploma!". A list of programs is shown, including Automotive Technology, CAD Technology, Early Childhood Education, Fire Science Technology, Heating, Ventilation and Air Conditioning, Law Enforcement Education, and Veterinary Assistant. The Morton College website is listed at the bottom.

Adult Ed Bridge to Healthcare Careers

Adult Ed program, offers a GED Language Art class that is combined with Healthcare class (BHC) which will teach both subjects: This course is a language arts based GED course that will help prepare you for the GED test while also preparing you for a career in the healthcare industry:

* BHC is offered free of charge.

* Consecutive 8-week terms that focus on medical vocabulary, career exploration, and preparation for credit level courses including the Nursing Assistant course and the Medical Terminology course.

If eligible, would you like to join the combined Language Art and Healthcare Program? If you do, enter your initials here: _____
