Senior Planet: MOUSE MASTERY: 5 CREATIVE ONLINE GAMES

<https://seniorplanet.org/mouse-mastery-5-creative-online-games/>

<https://seniorplanet.org>

There are two sides to the digital divide: Some kids struggle with handwriting; some seniors struggle with mouse control. If your mouse skills could use some improvement, recognize that just like handwriting, it's simply a matter of practice – and, taking a cue from the kids, just think of practice as fun. In search of fun mouse practice exercises, we were inspired by an article on the website Mental Floss called 17 Web Toys for Your Procrastination Pleasure. The idea: pure play. In fact, even if you already feel very comfortable using a mouse, these games are still an entertaining way to pass time. We picked the best online games for mouse or

trackpad practice from the Mental Floss list. Some allow you to create artistic designs and some are just for fun. All will help turn you into a pro.
