Service Finder

Purpose: The Service Finder identifies locations in Local Workforce Innovation Areas (LWIA) that offer services through Illinois workNet Centers, affiliates, and other community partners.

Types of Partners:

- 1. Illinois workNet Centers,*
- 2. Community Colleges,*
- 3. Libraries,*
- 4. Faith-Based Organizations,*
- 5. Community-Based Organizations,*
- 6. State Agencies,*
- 7. Universities, and*
- 8. more.*

Service Finder – How to Use It

- Scenario – Customer
I need help with my job search and I'd like to talk to someone in person.
- Scenario – Employer
I am interested in an employee training program and would like to see if that is an option in my area.
- Scenario – Workforce Partner
I offer services to the public and would like my office to show up on the Illinois workNet Service Finder.

Guidance

This is the page for embeddable widgets shared by both [Illinois workNet](#) and [Illinois Open Education Resources](#). Use the menu to the left to navigate between widgets. Each page will provide you with an overview and either a code generator, or a link to the code generator page. If you need any assistance please use the Contact Us link in the footer of this website.

Styling Tips

This widget is embedded on your page as an iframe. Iframes typically default to 300 pixels wide by 200 pixels high. This is quite small. In addition, the content shown by the widget is not of a fixed height. The following tips will help you work through these problems. Don't worry, it's not a difficult, scary problem. It's really easy.
