- A Resource Developed by LEAD Center for ODEP

Veterans.gov (resources/website/veteransgov)

Website
The U.S. Department of Labor's Veterans' Employment and Training Service created Veterans.gov to act as a one-stop employment services website for both veterans seeking work and employers looking to hire veterans.

Do Ask, Do Tell (resources/report-brief/do-ask-do-tell)

June 2016 | Report/Brief | The Conference Board

This research investigates what companies are doing to build a disability-inclusive culture and encourage employees with disabilities to voluntarily self-identify, as many organizations with government contracts are now required to do under recent laws.

What Every Employer Needs to Know: Key Success Factors for Hiring People with Disabilities (resources/report-brief/what-every-employer-needs-know-key-success-factors-hiring-people-disabilities)

March 2015 | Report/Brief | The Hartford

In this March 2015 report, disability experts announce research that found 80 percent of people with disabilities achieved their career goals at an acceptable level or higher when they had individualized support from employers.

February 2015 | Tool/Manual | White House Domestic Policy Council

This resource guide identifies relevant federal and federally funded resources for employers looking to recruit, hire, retain, and promote people with disabilities.

August 2014 | Report/Brief | Employer Assistance and Resource Network

The purpose of this report is to assist small businesses "open the doors" and provide employment opportunities for people with disabilities.

January 2014 | Report/Brief
