# RAPID RESPONSE LAYOFF REPORTING

## RESOURCES

- Downloadable Materials.
- Illinois Department of Commerce and Economic Opportunity Contact information for the Northern and Southern Workforce Development Regions.

## Rapid Response Services

Rapid Response Services are available to employers in the case of a permanent closure or mass layoff at a plant, facility, or enterprise, or a natural or other disaster, that results in mass job displacement. The State Dislocated Worker Unit coordinates with the employers to provide on-site information to workers and employers about employment and retraining services designed to help participants regain employment when feasible, or obtain re-employment as soon as possible.

These services for employers and workers include:

- Labor market information (occupational information and economic trends).
- Job search and placement assistance.
- On-the-job training.
- Customized training.
- Incumbent worker training.
- Registered apprenticeships (RA).
- Classroom training.
- Online Training - Steps to Success.
- Entrepreneurial training.
- Referral to basic and remedial education.
- Support Programs and Facilities.
- Career Transition Services.
- Local Out-Service Groups.

Employers and individuals can contact their local Illinois WorkNet Center for detailed information on the services available.

- USDOL Contact Info
- Illinois Agent Liable Contacts

## Trade Layoff

If your job may be, or will be, impacted by a layoff related to the employer moving jobs out of the country or increased imports, review the Trade information on this site. Additional benefits and services may be available to you and others impacted by the layoff if it is certified as a Trade layoff.

### How to Report

A group of three individuals or more who are losing their jobs due to the layoff can complete the Online Trade Application. Multiple applications may be submitted to request certification by workers, the employer, a union official, or other duly authorized representative of such workers and your Local Workforce Area Operators or Illinois Department of Commerce and Economic Opportunity.

A copy of the petition should also be submitted to the State of Illinois TAA Coordinators listed to the right. Print the form here: 2014R Trade Petition Form (PDF) and 2014R Trade Spanish Petition Form (PDF).

## TAA Specific Benefits

Trade Adjustment Assistance (TAA) Specific Benefits:

- **Employment and Case Management Services** - Skills assessments, individual employment plans, career counseling, supportive services, and information on training, labor markets, and more (through TAA or other American Job Center programs).
- **Training Benefits** - Vocational training, on-the-job training, customized training designed to meet the needs of a specific employer or group of employers, apprenticeship programs, and more.
- **Trade Readjustment Allowances (TRA)** - Income support available in the form of weekly cash payments to workers who are enrolled in a full-time training program and have exhausted their unemployment insurance.
- **Job Search Allowance** - Reimbursement for costs of seeking employment outside of the worker's commuting area.
- **Relocation Allowance** - Reimbursement for relocation costs for employment outside of the worker's commuting area.
- **Reemployment Trade Adjustment Assistance (RTAA)** - A wage subsidy for up to two years that is available to reemployed older workers and covers a portion of the difference between a worker's new wage and their old wage (up to a specified maximum amount).
- **Health Coverage Tax Credit** - A 72.5% credit if receiving TRA for the costs you pay for health care insurance may be claimed on your federal income taxes. For more info go to the IRS website.
