New Look & i-GO: Illinois Gender Outcomes Projects

Two projects for Perkins Special Populations

May 9, 2013 Normal, IL
Illinois Center for Specialized Professional Support (ICSPS)

In order to support the success of every learner, ICSPS provides professional development, technical assistance, and program improvement strategies and resources for career and technical education professionals.
New Look Project

**Mission:** The purpose of the New Look Project is to assist career and technical educators and their partners in identifying, developing, and strengthening aspects of their programming for special populations CTE learners.
FY13 New Look Project Colleges

- John Wood Community College
- Kishwaukee Community College
- Olney Central College
- Rock Valley College
- Sauk Valley Community College
- Waubonsee Community College
New Look History By the Numbers

- $519,005 total funds to sites
- $1647 average award
- 315 total sites
- 28 average #sites/year
- 1 Common goal

Strengthening programs for Career and Technical Education special populations since FY03
New Look Project Sponsors

The New Look Project FY03-13 has been funded through the Carl D. Perkins Career and Technical Education Acts as administered through the Illinois Community College Board. During FY03-FY09 the Project was also funded by the Illinois State Board of Education.
