

INTERVIEW

Name: _____

Date _____ Time _____

Why are you interested in a healthcare career?

What skills and abilities do you have? What are you good at?

Have you worked? What skills from a previous job will help you in this program and beyond?

If you haven't worked, what skills do you possess that will help you in this program?

If you do work, how will you work and attend classes?

Do you have a support system?

Do you meet the income guidelines for Sang. Co.?

The program is 18 weeks long, will you be able to commit to that length of time?

Do you have anything in your background that would show up in a background check?

How do you handle stress or challenging situations?

Transportation? Backup plan?

Childcare? Backup plan?

After you get your CNA, what would you want to do next?

What other goals do you have?

Why should we consider you as a candidate for our healthcare program?

Do you have questions for me?
